DIMEA

DIMEA ASSESSMENT

Discover your hidden potential

An independent, evidence-based assessment of how your organisation operates — and where leadership should focus next.

Before choosing a direction, know where you stand.

When initiatives and investments compete for the same resources, DIMEA establishes your position on the map: a reliable view of your organisation's current reality.

PERSPECTIVES — PRACTICES — EVIDENCE

What you receive

01 An evidence-based current-state picture
Understand your strengths and how organisational capability works in practice.

02 Key gaps, friction and risks
See where friction and risks arise — and where the biggest potential lies.

03 Clear priorities for leadership attention
Know which findings deserve attention first — and why.

04 A joint review session
Review the findings with DIMEA and build a shared management understanding.

Focused participation.

3–5 key people contribute through interviews, relevant evidence and the joint review. DIMEA handles the analysis. No extensive preparation required.
